The Dhevatarara Cove villas are representative of the crème de la crème of Koh Samui's luxury real estate market. Located in Lipa Noi, on a stunning part of the west coast, each of these prestigious villas boasts spacious living quarters fitted to the highest standards and an absolute beachfront position.

The style is traditional Thai with extensive use of teakwood and sandstone, vast ceilings and large glass sliding doors. The accommodation is vast and includes 5 or 6 double ensuite bedrooms (1 is twin with single beds), a separate living pavilion with large bi-folding doors that open entirely and a generous open-plan gourmet kitchen with island counter. All the bathrooms have walk-in showers and a number also have a large bathtub. A private pool with a large pine deck, set in the garden, complements the villa.

The villas all come with a full communications suite, including ADSL wireless Internet connections, integral stereo systems, satellite television, multiple telephone lines and a stand-by generator.

This is a rare opportunity to purchase an exclusive villa in a breathtaking beachfront location. The décor, appliances and fittings are also of the highest quality and carefully designed to complement the beauty of the villas' natural environment. If you are looking for a luxury property on the beach with plenty of space and a design that creates a beautiful indoor-outdoor living environment, then this is not an opportunity to be missed.
