## Beachfront homes in Koh Samui

### ▲ *Dhevatar Residence – Koh Samui, Thailand*

Dhevatar Residence is a gated beachfront housing complex on the north coast of Koh Samui Island. Choose from one- and two-storey villas or two- and three-storey hillside units. Eight properties are available, with five on the beach and three on the hillside. All units offer sweeping views of Bophut Bay. This is a safe development with individual security cameras. Landscaped gardens with water features are maintained by our gardeners. Each lot is between 630 and 1,247 sqm with 400 to 500 sqm of living space. All units offer beach and pool access and include four bedrooms, A/C, telephone lines, satellite TV, ADSL Internet access and staff quarters for up to four people.

Prices start at \$800,000. Contact Jagodean's Stephanie Brimacombe at 020-7228-5464 or [Sbrimacombe@jagodean.co.uk](mailto:Sbrimacombe@jagodean.co.uk) for more details.

### ◀ *Baan Chao Lay – Koh Samui, Thailand*

Baan Chao Lay is a southern Thai-style beachfront house on the quiet west coast of Koh Samui Island, featuring a huge landscaped garden with water features, pool, views of the Gulf of Thailand, and paved road access.

This development also features five bedrooms, saltwater pool, A/C, staff quarters for four people, satellite TV, two phone lines and ADSL Internet access.

This property is priced at \$2,337,500. Contact Jagodean's Stephanie Brimacombe at 020-7228-5464 or [Sbrimacombe@jagodean.co.uk](mailto:Sbrimacombe@jagodean.co.uk) for more details.

### ▲ *Dhevatar Cove – Koh Samui, Thailand*

This gated beachfront development is located on Koh Samui Island's peaceful west coast. It blends a contemporary aesthetic with Thai flourishes, set in lush, natural surroundings. Units are situated on 1,800-sqm plots, with between 740 and 1,100 sqm of living space, 25 meters of beach frontage, five to six bedrooms, saltwater pool, outdoor Jacuzzi, A/C, staff quarters for four people, satellite TV, three phone lines, and ADSL Internet access.
