

Tropical Island LIFESTYLE

Dhevatara Properties offers beachfront and sea view villas for short and long-term rentals. Available villas will generally be part of an exclusive gated community. The estates are managed by professional estate managers Samui Villas & Homes, who are renowned for managing only the highest quality properties on the Island.

Dhevatara Properties presents the best that Asia has to offer in terms of design, comfort, facilities and dedicated service. The properties are set in a range of spectacular beachfront locations, offering tropical beauty and complete privacy in a full service environment.

Each of the villas has a minimum of three resident staff led by an English-speaking Villa Manageress who caters specifically to the needs of individual guests. A full time Thai Chef is also on hand to prepare a range of sumptuous Thai meals, enhancing what is already an especially unique experience.

The villas represent a unique alternative to traditional hotels. With all factors taken into account it is certainly a more cost effective option for holidaying on Koh Samui.

Dhevatara villas also cater for special events such as weddings and corporate/executive retreats. They help organise these events for clients, making an exceptional and even more memorable occasion.

Dhevatara Cove was voted Best Villa Development in the recent Thailand Property Awards 2006. The six exclusive traditional Thai properties that make up Dhevatara Cove blend into their natural surroundings with picturesque harmony, creating a development that merges stylish contemporary luxury with tropical splendour; the reasons for their popularity are clear.

Baan Chao Lay, is an individually designed property, with southern Thai style architecture blended with contemporary internal finishes, featuring vast landscaped gardens, with many water features, a large lap pool and a sala.

Dhevatara Residence offers secluded modern properties within a magnificent setting, finished to a high standard of luxury. They also benefit from being located close to some of the island's best restaurants and shops. A Dhevatara Residence villa will provide the ultimate in relaxed and comfortable living while also allowing enjoyment of the conveniences and facilities of a 5-star resort.

Dhevatara Cove and Baan Chao Lay, located on the west coast at Lipa Noi and Dhevatara Residence, located on desirable Bophut beach on the north coast, are all available for rental.

In keeping with its winning style and dedication to premium living, Dhevatara was once again an official island sponsor of the 6th Koh Samui Regatta. The Tropical Island Regatta produced some wonderful sailing and the Dhevatara Properties sponsored "Voodoo Child" won the Firefly 850 Sports Race. [SI](#)
